Doug,  
Thanks for sharing the letter. Here we go again with the finger pointing. This is quite frustrating and the water districts are stuck in the middle while this continues. Hopefully the NYSDEC will show some urgency and step in to provide stern leadership.

Stan Carey, Superintendent  
Massapequa Water District

Stan/Paul

With respect to the Navy letter that I forwarded to you, I just wanted to let you know that I spoke with Ed Hannon this afternoon and he indicated that NG felt the content of the letter was not entirely accurate and NG intends to provide clarification.

Regards,

Doug

Jim,  
The Navy has responded to your July 2, 2015 e-mail regarding the coordination between the Navy and Northrop Grumman in the attached letter. A hard copy of the letter has been sent to you.
